

**Caption: Celebrating 25 Years: 1990 to 2015 - Americans with Disabilities Act. Working toward: "Equality", "Respect", "Empowerment", "Compassion", "Evolution" and "Technology". A cybernetic arm and a human arm shake hands.**

**Commemorating the 25th Anniversary of the ADA.  
Future: Technology, the Next Path to Inclusion**

*ARTIST: Josh Paisley*

Disabilities touch us all in one form or another - we all have someone close to us whose quality of life depends on the kinds of things that the ADA provides. I hope to spark interest and encourage increased disability advocacy with these pieces.
