

Protect Your Business – Remove Barriers

Avoid being sued and increase your customer base

ADA Readily Achievable **Barrier Removal**

Barrier Removal Priorities

- Provide access to your business from public sidewalks, parking areas, and public transportation
- Provide access to the goods and services your business offers
- Provide access to public restrooms
- Remove barriers to all amenities offered to the public, such as drinking fountains

Create and Execute an ADA **Barrier Removal** Plan

- Identify and prioritize barriers
- Establish a reasonable timeline
- Secure cost estimates
- Keep records of removed barriers and their cost
- Receive tax credits and deductions
